EARLY GIRL	A garden staple - our biggest selling early variety - dependable large harvests of 6 oz. flavorful fruit.

MID SEASON

BETTER BOY	One of the best tasting tomatoes around. Like Big Boy, but with additional disease resistance.
CELEBRITY	Clustered tomatoes with excellent disease resistance. A tried and true variety.
CHAMPION	An outstanding slicing tomato with high yields of medium to large size fruit.
JET STAR	Big yields on big plants!! Nice size with good crack resistance - lower in acid than most red tomatoes.
MARGLOBE	Old fashioned variety with large, uniform, globe shaped fruit. Strong vines, excellent yields.

LATE

1884	Huge, superbly flavored fruit. Dark pink tomatoes weigh over 1lb on average. Great heirloom taste.
OXHEART	Oxheart tomatoes weighing 1 lb. on average. Outstanding flavor.
BEEF STEAK	Huge, delicious ribbed fruit grows on very vigorous vines.
BIG BOY	Our top seller. Big harvests of large, flavorful, fragrant, juicy tomatoes.
BIG DADDY	Produces huge, meaty, ruby red fruit. Improved disease resistance.
BRANDYWINE	Amish Heirloom. A very rich and creamy flavorful variety. Plants get quite tall, and fruit can weigh 1.5 pounds+.
SUPERSONIC	High yields, flavor and firmness - tolerant to cracking - nice for slicing.

CHERRY/GRAPE

BABY BLUES	Awesome blue cherry tomatoes - nice sweet flavor - will turn red if left on the vine longer.
CHOCOLATE SPRINKLES	Striped, dark chocolate grape shaped tomatoes - delightfully rich, sweet flavor. Crack resistant.
GRAPE	Long, grape like clusters of elongated grape shaped cherry tomatoes. Sweet, and very productive.
HUSKY RED CHERRY	About twice the size of an average cherry tomato. Excellent yields all summer.
JULIET	Shaped like small plum tomatoes, about twice the size of a grape tomato. Grow as clusters with high yields.
SUN GOLD	Sweet and fruity bright orange cherry tomatoes.
SWEET 100	Tall plants covered in abundant clusters of classic cherry tomatoes. A top seller.
TUMBLING TOMS	Cherry tomatoes great for hanging baskets!
YELLOW PEAR	Pear shaped yellow tomatoes 1.5 to 2" long. Sweet and lower in acidity.

PLUM/PASTE

ROMA	Wonderful bright red plum tomatoes - solid with few seeds - great for canning and salads.
SAN MARZANO	Plum tomatoes great for canning - fruit is a little larger than many other plum varieties.

PATIO

PATIO Small tomatoes on dwarf plants about 2' tall. Great grown in a container.
